OUR MISSION
To Invite Everyone to know God's
Love through our community of Faith

Recently, Stacey and I were blessed with being able to take our grandson to Colorado with us as we visited our daughter and our granddaughter who live in Golden. On one adventurous outing, I took my daughter and grandson ziplining in Idaho Springs. The group we went with include folks from Colorado, Texas, and Exeter New Hampshire. The funny thing is that my sister-in-law lived in Exeter for over 20 years until just recently moving. As I looked out at the scenic vista from near the top of a Rocky Mountain, it got me to thinking about the likelihood of meeting someone so far from home who lived so close to a relative, and then I marveled at how big and small our world is all at once.

While the 24/7 news cycle works tirelessly to capture the attention of viewers by repeating the divisive sound bites of politicians, our worlds become smaller and bigger at the same time. We retreat into the smallness of the “certainties” of our familiarities. At the same time the world becomes a big scary place because “look those people over there are trying to steal our freedom, our happiness, our [insert something you care about]” What if we each decided that instead of letting politicians and news sources tell us what is happening in the world, we went out and actually experienced the world for ourselves? While we are “out there” we might meet some people with whom we can share in the joys of nature or adventure! Guess what? They might even have different political beliefs, or different religious beliefs than we do! When we look past the polarizing positions we have been fed by secular and religious authorities, we find that we have so much in common with so many other people. And then, the world no longer seems so big and scary anymore.

Pastor David Martin

As we are not sure how long Covid 19 protocol will last, modern technology has provided us with a connection to share Bible studies, Childrens Worship (11:00am, NUMC) and Adult Worship (9:00 BUMC, 10:30 NUMC). You will find instructions and links inside to connect you at home through Zoom.

If you want to attend church service on Zoom and would like a copy of the Bulletin, the insert with upcoming event information and the hymns, please email me at: marthabaskerville3@gmail.com.

OUR PRAYER LIST

Bear one another's burdens, and thus fulfill the law of Christ. Galatians 6:2

Pray for our children as schools as school reopens for a new in-school year. Our precious children must be kept safe not only the little ones but the ones going off to college, forging ahead on another path to adulthood or starting a new career. Keep them all safe!

Pray for all the displaced populations that are having to start a new life in new surroundings that may be very foreign to them. Let them feel your Love and kindness as they struggle to find new beginnings.

Pray for all that are struggling with the decision to volunteer in these challenging times. Help them to hear your words of encouragement to share their gifts with others and spread the light of your love to all.

Pray for those in hospitals and convalescent homes, and for their caregivers as a new wave of a Covid variant is starting to take hold of our communities once again. .

Pray for those recovering from recent illness, those who are homebound and their caregivers: Lanie Bickford, Jennifer Ostrout, Taylor Schipani, Joan Potterton.

Prayers for Manchester leaders to establish a permanent homeless shelter to create a prototype for surrounding towns to follow so that homelessness can become a word and way of life that becomes obsolete.

Prayers for the world today. Pray for all the families that have lost someone to the virus so that they may feel Gods love as they mourn their loved ones , as they are secluded in quarantine.

Pray that lessons learned through this pandemic may not be lost when the air becomes clear once again. That changes will be recognized and the world will be a more loving, and kinder place to live.

AMEN

Be intentional about connecting Mission to the community's conscience. It takes time to build relationships that turn into long-standing partnerships, but this approach adds value to the Mission and creates long-term growth for the organization. It is more innovative than investing funds into events that spend the agency's resources for short-lived experiences but neglects to keep Mission at the core

Chef Ferdinand Cruz

MACC's Community Kitchen

Fall is here! So let the fall flavors take charge. This week in MACC's kitchen we whipped up some **Parmesan & Sage crusted Pork Chops**. There's something about the duo of fresh sage and parmesan, yum! We served these delicious pork chops with garlic roasted potatoes accompanied with roasted butternut squash and wilted baby spinach. Enjoy the recipe!

Recipe: Parmesan & Sage Pork Chops

Ingredients

1 (1 1/4-ounce) slice white bread, torn into pieces
1/4 cup (1 ounce) grated Parmigiano-Reggiano cheese
1 tablespoon chopped fresh sage
1/4 teaspoon salt
1/4 teaspoon freshly ground black pepper
1/4 cup all-purpose flour
1 tablespoon prepared mustard
2 large egg whites
4 (4-ounce) boneless thin-cut pork loin chops, trimmed
1 1/2 tablespoons canola oil

Directions

Step 1: Place bread in a food processor; pulse bread 10 times or until coarse crumbs measure about 1 cup. Combine breadcrumbs, cheese, sage, salt, and pepper in a shallow dish. Place flour in another shallow dish. Combine mustard and egg whites in another shallow dish, stirring with a whisk.

Step 2 : Working with one pork chop at a time, dredge pork in flour, shaking off excess. Dip pork into egg white mixture, allowing excess to drip off. Coat pork completely with breadcrumb mixture. Set aside. Repeat procedure with remaining pork, flour, egg white mixture, and breadcrumb mixture.

Step 3: Heat a large nonstick skillet over medium heat. Add oil to pan, swirling to coat. Add pork; cook 3 minutes on each side or until browned and done.

This past Monday we continued our partnership with **180 Barbershop** for our **Hip-Hop Haircuts** in the Community. With everyone's safety in mind, we limited the appointments and spaced the barber chairs so everyone can enjoy their time in the seat. What started as a pilot program has turned into a staple with our guests. **Happiness is a new haircut!**
